Academy Council Questionnaire

Dear parents/carers,
The questionnaire that you completed earlier in the year was overwhelmingly positive about the school. However, the governors on the academy council would like to explore three areas in more detail in a short questionnaire. These are homework, bullying and the value of communication from the school. We would be very grateful if you could spare a little time to complete this which will be sent home as a paper copy in the week commencing 1st July. **Please return to reception by Monday 8 July.**

Many thanks.

Sue Silk

Chair of the Academy Council on behalf of the governors

Visit to Parliament

Our Prime Minister and Deputy Prime Minister travelled to London to visit the Houses of Parliament as part of their work on our School Parliament. They had a wonderful day where they delivered a presentation about the successful community coffee mornings they have hosted here at school. They got a tour of the House of Lords and the House of Commons and took part in a debate before finishing the day with a trip on the London Eye. What an amazing experience!

Star Bereavement

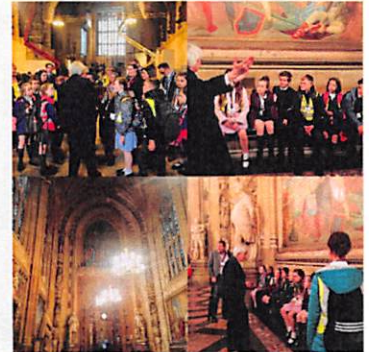

Star Bereavement is a local charity who have supported children in our academy. They do fantastic work for bereaved children and after hearing that they may have to close soon due to funding, our School Parliament organised a bake sale. All proceeds from this will be going straight to Star in the hope that they can continue to do their amazing work. Thank you to everyone who baked and bought the gorgeous cakes and buns. We really appreciate your support. A massive £429.90 was raised.

Attendance

So far this year, our whole school attendance is **96.42%**, which is just below our target of 97%

There have been **40** instances of lateness since this term.

Lateness = Lost learning
10 minutes late each day = 6.5 days lost
