## Grand Opening

Last week, we celebrated our grand opening of our new school building. It was an amazing day, where the children experienced a range of activities from photography and performance poetry to cooking and drama.

The visitors to the school were extremely impressed with the building and the children. After a morning of activities, all the children and visitors gathered in the hall for the official opening ceremony.

## World Mental Health Day

Thank you to all the children who wore yellow for World Mental Health Day. Together we raised £83.62 for the Young Minds charity.

## Uniform

Please ensure all children comply with the uniform policy, which includes shoes not boots. Children need to ensure they have their correct PE kit with them all week to make sure they can fully take part in all PE lessons. This needs to be appropriate for outdoor PE lessons.

## Attendance

So far this year, our whole school attendance is **96.44%**, which is just below our target of 97%. There have been **27** instances of lateness since the beginning of this term.

Lateness = Lost learning  
10 minutes late each day = 6.5 days lost
