

2A - WORD MEANING
Secret Agent W. Meaning

He collects words in his top secret briefcase and uses his word power mastermind to unlock their meaning within a sentence!

2B - FACT RETRIEVAL
Sgt Doggy Digger

He loves to get muddy! He digs through texts to find information and fetch it to the answer the question.

2C - SUMMARY
Professor Susan Summary

Susan's job as a professor involves taking parts of texts, or even the whole text, and shrinking them down into a simple summary. She must understand the main ideas from the text in order to choose the best summary.

2D - INFERENCE
Private Eye Pepe Pierre

His job is to search for clues that are hidden within the text. He has to use skills of inference to read between the lines, create his own opinion and back it up with evidence to answer the question.

2E - PREDICT
The Great Predictor

This genie of the lamp has the amazing skill of seeing into the future! Using his skills of prediction and inference, he uses what he has read so far to predict what might happen next in the text.

2F - STRUCTURE
Wise Master Yoda

Yoda is the oldest and most experienced Jedi master and this helps him to understand the whole text and its parts. He is very wise and understands how to order the information in a text which helps to give it an overall meaning.

2G - LANGUAGE
Thesaurus-Prime

This Transformer has the ultimate power... LANGUAGE! He loads his hydron blaster with carefully selected words or phrases and fires them at the reader to enhance the meaning of a text.

2H - COMPARE
Mr Go Compare

This man loves to compare everything and often sings about it! He compares things within a text and uses the word however to link both parts of his answer together.
